**Junior Manners
Cotillion**
Ms Gerzanic,
Director

February Class:

We had fun at the dining and eating manners class in January, with lots of food consumed in varying degrees of social skills and etiquette.

The February class is coming up soon and we have a lot planned for our final lesson. Please note, the Los Altos class is on the second Thursday, not the usual third Thursday this month, due to various ski vacations. The Burlingame class, is as usual, on the fourth Monday of the month.

Mailings have recently gone out with information about the various events coming up. Below is also a list of the information mailed recently.

5th Grade (Burlingame):

Unfortunately, last week, just as the Valentine's Party invitations were all set to go out, we were informed by our facility they had double booked and were not able to host. We tried really hard to find a new facility at short notice, but unfortunately were not able to. We will however be including the 5th grade class in our Il Fornaio Spring Luncheon on Saturday, March 21 to make up for it. Invitations just went out. This will give students a chance to practice their dining skills in a public setting and bond with the other students. We apologize for any inconvenience.

Mailed to all Burlingame 5th Graders:

Flier with information about the Il Fornaio Luncheon
An explanation and apology for the change
Luncheon invitation

6th Grade:

Sixth grade students should have received a flier reminding them of the Dip Into Dancing (invitation for parents to join the last 30 minutes of the next class to help prepare for the Spring Ball).

A flier explaining how to R.S.V.P.

A flier with information about the Spring Ball
Spring Ball invitations were mailed Monday.

Life Skills Students, (7,8,9th Grades)

Life Skills students should have received/be receiving shortly, information about the Dip Into Dancing (an invitation for parents to join students for the last 30 minutes of the class to help prepare for the Parents Honor Dance at the Spring Ball).

A flier explaining how to R.S.V.P.

A flier with information about the upcoming dinner (Los Altos) or luncheon (Burlingame).

A flier with information about the Spring Ball

Spring Ball invitations were mailed Monday.

Chaperones:

If anyone would like to chaperone during the Spring Ball, we will need four parental chaperones preferably, so please volunteer. Thank you.

Don't ever forget that no matter where you are, Manners Matter.

Ms. Gerzanics
